OPÉRA

Located close to the Opera Garnier, department stores (Printemps, Galeries Lafayette, Apple Store...) and opposite the W Hotel, Le Patio Opéra is a one of a kind place, fully dedicated to gastronomy, artistic expression and partying.

The «house», in a listed Haussmannian building, develops its 650 sqm on three levels, around a bucolic tree-lined courtyard, which is covered in the winter, so it's possible to enjoy "dans le jardin" all year round.

This enables you to organize outdoor and indoor events in our surrounding, regardless of the weather, between Corsica and Italy.
